## NOTICE OF MEDICATION PACKAGING CHANGE

### **\*Pharmacy Blister Packs - Medications**

Effective Summer 2018, Oceanwood Camp will be moving to a pharmacy packaged blister pack medication administration system. Pharmacy blister packs will group all medications for each med pass and all prescriptions are included in the pack. It also ensures safe, accurate and timely administration of your camper's medications. Medications that are excluded from this include liquids, birth control, Coumadin and Prednisone. We understand this is a new system, but we feel confident it is the safest way to give campers their medications. Please contact your current pharmacy to inquire about this service. You can also visit [campmeds.com](http://campmeds.com) as this company is used by many camps. Please do not send over the counter medications as our health office is stocked with everything your camper needs.

If you have any questions please contact the office at (207)934-9655 or email [office@oceanwood.org](mailto:office@oceanwood.org)
