Junior OceanBay Adventure 2020 Application

Dear Parent or Guardian,

We are excited to know that your child is interested in joining us for summer camp. To expedite the process, please read the following recommendations.

- Please complete the entire 6 page application before sending it in. Make sure to include a physical from your Physician with the application. No application will be accepted that is incomplete. Failure to provide full and accurate information to us could result in safety issues for your child and our staff. Please provide a picture of your child with your completed application.
- We encourage anyone that has not yet been to Oceanwood to schedule a visit.
 You will have the opportunity to meet the unit leader, explore the property, and get to know more about the program.
- Once we receive the completed application, our camp staff will call you to finalize acceptance into the program or discuss any questions we may have. We may request to set up a meet and greet to help ensure Junior OceanBay Adventure will be a good fit for your child, where we want all our campers to be able to get the most out of the experience. Confirmation booklets with information about your camp week will be mailed to you and your child after acceptance into the program.
- The program is first come, first serve, so apply early!

 Please know that it could be several weeks after the application is submitted and the process is complete before you are notified of acceptance. We understand that waiting is hard, but please be patient as we want to make sure that we have everything we need. If you have additional questions about camp, please contact us at (207) 934-9655 or email the office at: office@oceanwood.org.

Thank you for applying to the Junior OceanBay Adventure camp session!

NOTICE OF MEDICATION PACKAGING CHANGE

*Pharmacy Blister Packs - Medications

Effective Summer 2018, Oceanwood Camp will be moving to a pharmacy packaged blister pack medication administration system. Pharmacy blister packs will group all medications for each med pass and all prescriptions are included in the pack. It also ensures safe, accurate and timely administration of your camper's medications. Medications that are excluded from this include liquids, birth control, Coumadin and Prednisone. We understand this is a new system, but we feel confident it is the safest way to give campers their medications. Please contact your current pharmacy to inquire about this service. You can also visit campmeds.com as this company is used by many camps. Please do not send over the counter medications as our health office is stocked with everything your camper needs. If you have any questions please contact the office at (207)934-9655 or email office@oceanwood.org
